**VET Student Loan (VSL) Enrolment:**

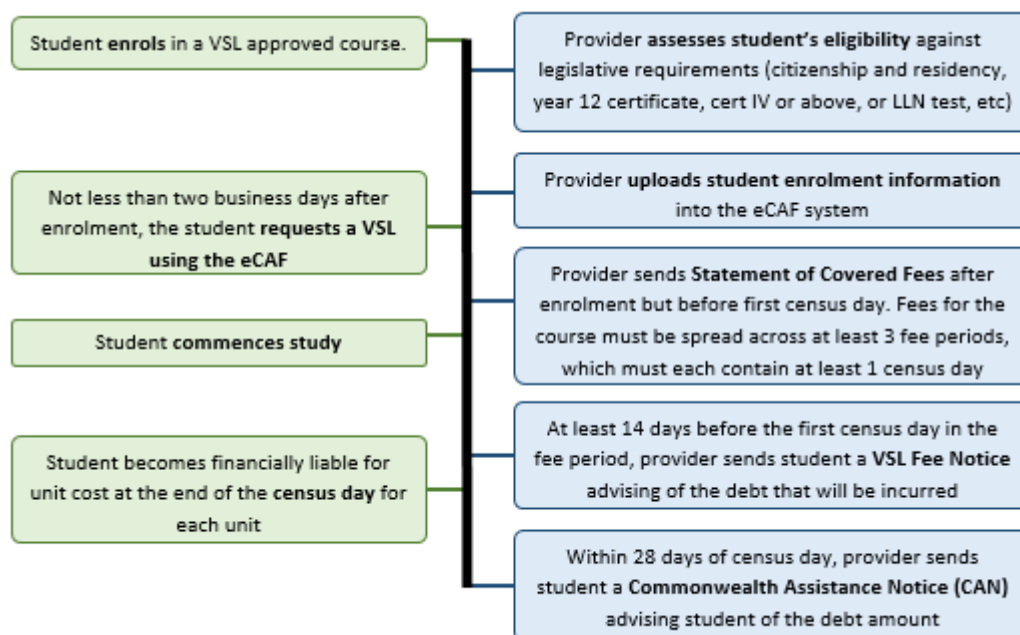

After the college verifies the eligibility of the enrolling person to the program, the college will upload the enrolling person information to the Electronic Commonwealth Assistance Form (eCAF) system.

Not less than 2 business days after enrolment, the enrolling person must request a VSL using the eCAF.

After the enrolling person confirm their enrolment through the eCAF system, the college will send “Statement of Covered Fees” before first census day. The statement of covered fees will outline the amounts of the tuition fees that will and will not be covered by the VET Study Loan.

At least 14 days before the first census day, the college will send a VSL fee notice advising the debt amount for the first fee period. The enrolling person will become financially liable at the end of the census day and will be provided with a Commonwealth Assistance Notice (CAN) on the day after census day, setting out the loan and the loan fee for each unit of study. Ref: VSL Manual for Provider page 9

**Enrolling from another training organisation (VSL):**

To continue a course with H&H, students will only be able to access VSL up to the amount of the remainder of the total course cap. The students will need to provide the college with copies of the ‘Commonwealth Assistance Notice (CAN)’ from their previous training organisation, which the students should receive throughout the course to check their remaining course cap. Students could also view their ‘MyUniAssist’ record to access this information.

### **Recognition of Prior Learning/Credit Transfer:**

A student who has completed, or partly completed, another qualification from a recognised educational provider (for verification of provider status see [www.training.gov.au](http://www.training.gov.au)) may apply for a course credit, for their previous study towards a qualification or units of competency within a qualification.

The applicant must provide clear and legible copies of original documents (ie. Testamur and transcript of results) to an authorised H&H staff member. Copies of the original documents provided by the applicant must have been either authenticated via:

- A Justice of the Peace or their equivalent authority in the country of origin; or
- Verified as a true and correct copy by a college staff member. (refer to the RPL and CT policies and procedures)

*See full Recognition of Prior Learning Policy and Credit Transfer Policy published on the H&H website*

Re-admission may apply in the following circumstances:

- extension on distance enrolments
- re-enrolling into classes (for students who are NYC in previous classes)
- prior students that have deferred their studies (longer than six months)
- students wishing to complete their studies after a long period of absence, and where there have been substantial changes to the training package or industry requirements (as directed by the General Manager)

If a student withdraws from an approved course, or part of an approved course for Vet Study Loan (VSL) program, H&H will not re-enrol the student without the written permission of the student. (VSL Rules s 86(3))

### **Deferring studies:**

Should a student require deferral of their studies, it must be approved by the Team Leader and General Manager. Deferral may occur for numerous reasons, including insufficient English language level, personal emergency, travel overseas and medical issues. Information on the discussion between the Team Leader and student must be documented on the AVETMISS compliant software for future reference. *Deferral timeframes should not exceed a period of 12 months.*

### **Inactive Students:**

H&H acknowledges that some students may enrol in a course and not attend classes to commence studies, or not return after a break. Students who have not attended for a period of 3 weeks, of any study period, or who have not attended class for a 5 consecutive day period (at the start of a study period, or after a break without approval) will be considered inactive.

A '7-day letter' is sent to the student to contact the college within the 7 day timeframe to explain the absences. AVETMISS compliant software must have notations made, including the student suspension, reason if known and all applicable dates.

For VSL students, The Commonwealth requires each student to re-engage with its online system during the duration of study, this is done to confirm that they are a genuine student and are still engaged with their study.

H&H will advise each student when these periods occur. The student must comply with all requests from the Commonwealth, otherwise their loan will be cancelled; the student will be responsible for payment of the remaining fees, in order to continue to study. *Ref: Commonwealth Assistance Notice (CAN) (VSL Manual page 85 - 88)*
