Why choose this course?

The demand for Australia’s aged care workforce is expected to grow to around 827,100 by 2050. Furthermore, a career in both aged and disability care means that you will make an invaluable contribution to the lives of thousands of Australians every day. This qualification is an essential element of meeting the demand and in the growth of our caring community. The course itself teaches academic and practical knowledge of the concepts and practices required to start your career within the aged and disability care sectors.

What you’ll receive

Students who complete this course receive the academic and practical training to gain an entry-level job in aged or disability care and the home or community environments. The course is made up of 13 units, of which there are seven mandatory units and six elective units. You will undergo electives according to your chosen industry specialisation (Ageing, Disability, or Home and Community). These can be taken at our campus in Granville (21 weeks – Disability Specialisation/24 weeks – Ageing Specialisation), as a Distance Learning Course (12 months) or as a Traineeship (12 months).

h&h Accredited Training offers weekday, weekend and evening classroom study options. Smart & Skilled Funding is available for eligible students (this training is subsidised by the NSW Government). Contact us to find out more.
