Why choose this course?

Childcare is a rapidly expanding industry that increasingly requires skilled workers to care for and educate children from a young age through to early school years.

Students who undergo this training will gain the abilities needed to obtain an entry-level position in childcare workplaces, as well as acquire the basic knowledge and skills necessary for a long and successful career in this constantly expanding industry.

“Sunnyside Early Learning Centre has been using h&h for a few years now for our traineeships and we are very happy with the service provided. We would definitely recommend h&h, not only for our trainees, but for all of our staff.”

Cristina

Director, Sunnyside Early Learning Centre

“My teacher had vast knowledge in this field and was incredibly supportive of all her students. She worked hard alongside us to help us achieve our goals. I highly recommend this college.”

Suman Deep

Former student, Certificate III and Diploma in Early Childhood Education and Care
